Professional Development Scholarship 2019 APPLICATION

NYGFOA understands the financial challenges placed on government finance officers to secure funding to attend training programs. As such the Association is providing up to five annual Professional Development Scholarships to attend the NYGFOA Annual Conference (March 27-29, 2018). Each Scholarship covers the cost of Annual Conference registration and two nights at the Conference hotel.

There will be one Scholarship per NYGFOA geographic region, however, if there are no eligible applicants from a particular region, the Committee has the option to award more than one per region, but no more than five Scholarships in total.

ELIGIBILITY: This Scholarship is available to NYGFOA public sector members in good standing (dues must be current at time of application and on receipt of award). One Scholarship per public sector entity will be awarded to a first-time attendee.
