

## **City of Cortland - City Administrator (Salary Range \$125K-\$150K)**

Are you passionate about City government? Want to lead a college-town City in the beautiful Central New York region of Upstate New York? Do you desire to be part of a municipal renaissance effort while making your mark individually as a local government administrator?

The City of Cortland, New York (pop. 17,220) is seeking an accomplished, financially-savvy local government management professional to serve as the City's next City Administrator. The position serves as the City's Chief Administrative and Financial Officer (CAO and CFO). The City Administrator is the top appointed leadership position in City government and has operational oversight of fifteen (15) departments staffed by 177 full and part-time employees. As CFO, the Administrator manages an all-funds budget of \$30 million. The salary range is \$125,000 - \$150,000 with a full benefits package and New York State Retirement.
