

## DEPUTY COMMISSIONER OF FINANCE: ORANGE COUNTY, NY

Orange County, NY (population 400,000+) is seeking a qualified candidate to serve as the Deputy Commissioner of Finance. The Deputy Commissioner works daily with the Commissioner of Finance to direct and control the financial affairs of Orange County, provide administrative direction to and supervision of staff, and has significant responsibility for the management of Orange County's finances.

This is a high-level management position within County government and requires knowledge of municipal accounting practices, investments, and auditing. It is anticipated that the successful candidate will have at least a Bachelor's Degree in Accounting, Finance, Public Administration, and at least five years of experience in the field of financial management.

The successful candidate will be expected to speak at Legislative Committee meetings, interact directly with senior members of Orange County management up to and including the County Executive.

The County is especially interested in employees with a background in municipal finance, understanding of municipal investments and a history of GASB compliance

The currently approved salary for the position is up to \$120,806. However, individuals who believe they are highly competitive but unable to work under the current salary structure and wish to state salary requirements in excess of the currently approved amount may do so but should explain why their salary request is at variance from the currently approved highest amount in the range of approved pay. Full health and retirement benefits are also provided. Applicants will be required to pass a background check.

A full municipal job specification can be found at the Orange County Department of Human Resources website under "Immediate Openings" at <https://www.orangecountygov.com/Jobs.aspx>

Interested candidates should send resumes and a cover letter addressing their experience to:
