What You'll Do At LIPA

The Manager of Accounting is responsible for fulfilling LIPA's mission of enabling clean, reliable, and affordable electric service for our customers by managing the accounts payable and accounting personnel including performance management.

This position works closely with Treasury and Procurement to ensure appropriate reporting related to payments. The Manager of Accounting is responsible for the accounting closing processes and reporting for the Long Island Power Authority and its component unit, the Utility Debt Securitization Authority (UDSA.) This position also assists with the year-end audit and updating the internal policies and procedures.

The Manager of Accounting also:

- ❖ Develops a superior workforce of accounts payable and accounting personnel.
- ❖ Manages and supervises direct reports including setting objectives, goals, providing ongoing performance feedback, and identifying and monitoring employee development.
- ❖ Contributes to an employee-oriented culture that emphasizes quality, continuous improvement, high performance, and retention and development.
- ❖ Ensures all financial transactions are recorded accurately and timely, analyzes and reviews financial statement variances, and consults with budgeting and treasury personnel, LIPA's Service Provider, and other business units on accounting issues.
- ❖ Manages the monthly financial statement close process and assists in the preparation of the monthly reporting packages.
- ❖ Coordinates and oversees accounting issues with LIPA's Service Provider.
- ❖ Reviews and implements recommendations for LIPA's Service Provider's accounting policies.
- ❖ Oversees, reviews, and analyzes account reconciliations and ensures compliance with a strong internal control environment.
- ❖ Performs UDSA financial close and analysis including investor reporting functions.
- ❖ Manages accounts payable process including the preparation of the prompt payment report.
- ❖ Coordinates with procurement for invoice processing within contract requirements and assists in required reporting.
- ❖ Supports year-end close processes including supporting auditor requests, regulatory filings, and assists in appropriate disclosures.
- ❖ Identifies areas for improvement in processes and policies and identifies areas for efficiency to reduce costs or improve performance.
- ❖ Works closely with staff on numerous projects including implementation of changes in GASB/GAAP and assists in conversion to a new accounting system.
- ❖ Prepares ad-hoc reports for various state filing requests including using excel reporting functions and provides the necessary details.

LIPA is an equal opportunity employer.

Applying: Interested parties should submit their cover letter and resume to Barbara Ann Dillon, Director of Human Resources and Administration, at accountingjob@lipower.org
