

**Build a rewarding career on a values-driven team that offers a work/life balance.
At Marvin and Company, we offer professional careers in a values-driven team environment that helps our clients achieve their goals while allowing you a work-life balance.**

SENIOR AUDIT ASSOCIATE

We are looking for an energetic and innovative experienced Senior Audit Associate to join our team. In this role, you will work on a variety of audits, reviews, and compilations from planning to completion.

In this role, you will have the opportunity to work collaboratively with the Marvin team to:

- deliver the highest quality service to our clients;
- interact directly with our clients on a regular basis to better understand and serve their needs;
- grow and develop your career with support and mentoring from more experienced Certified Public Accountants in the accounting, auditing, and tax areas of the Firm; and
- grow and develop your career through your regular participation in internal and external Continuing Professional Education (CPE) programs.

As Senior Audit Associate you will contribute to the development of audit plans, identifying risks and giving follow-up to risk assessments. You will formulate recommendations for clients and you are responsible for the operational management of the engagement team, including monitoring technical implementation, evaluation and reporting. You will work directly with the Audit Manager.

Position Requirements:

- Bachelor's or Master's degree in Accounting
- Minimum of 3 years of relevant work experience.
- You are ambitious, customer-oriented, dynamic and flexible.
- You strive for excellence, have a positive attitude and a highly developed sense of responsibility.
