Your Tools to Better Resource Management

BEST PRACTICES GUIDES

NYS GFOA is dedicated to quality management of governmental resources and these publications are just one example of this dedication.

NYS GFOA members, representing a variety of types and sizes of municipal governments and public finance industries, NYS GFOA are creating a series of New York State specific Best Practice Guides. Members research, develop, and review each best practice for accuracy, consistency, wide spread applicability, and compliance with State and Federal laws and regulations.

The Cash Management Guide is now available. Guides on budgeting and internal control are in the process of being updated

ELECTED OFFICIAL'S GUIDES

NYS GFOA pleased to offer you a selection of the GFOA of US and Canada Elected Official's Guide Series at NYS GFOA member prices. The GFOA EOGs have been in production since 1984 and are GFOA's best selling publications. The EOGs are hard copy booklets.
