

## **Job Announcement**

### **Municipal Electric and Gas Alliance, Inc (MEGA) - Executive Director**

Do you have an interest in business development, energy and utility purchasing, local government and public administration? Do you want to be on the forefront of strategic intergovernmental relations, cooperative purchasing and aggregation in New York state while navigating the ever-changing energy landscape on behalf of public partners ? If you enjoy these job characteristics, are comfortable working remotely and have familiarity with contract/contractor management - the Executive Director of MEGA position may be right for you!

The Board of the Municipal Electric and Gas Alliance, Inc (MEGA) is looking for their next Executive Director. Pay range \$85K-\$100K. Lead the management, business development and marketing efforts of a nimble local development corporation with a strong history of public procurement and energy cost management successes for public sector clients in New York. Home office/remote position. The MEGA Board desires a seasoned management professional with experience in local government, public relations/communications and association management. Expression of interest and resume to [ian@pracademicpartners.com](mailto:ian@pracademicpartners.com) with MEGA Executive Director in the subject field. [More information via this link](#). First review of applicants will be May 5th and the position is open until filled.
